*Majestic Point Development. Veronica Bennett, the Township Engineer and I have reviewed this matter now that the Homeowners Association has been established. I have sent correspondence to Bill Miller, the attorney for Alex Paris, setting forth the changes required for the Deed of Dedication. Veronica and I want the deed to be clear that the township is not taking over the stormwater pond – only the pipes and areas underneath the roadway that Veronica has had the opportunity to see the videos for. The HOA will be responsible for upkeep and maintenance of the stormwater pond. Once these documents are finalized and a bond is provided for roadways, the Township can accept the dedication.
