

HOUSE NUMBERS IN SMITH TOWNSHIP

Smith Township requires all dwellings to have at least a three & ½ inch high house number on it and it cannot blend in with the house. The number needs to be located on the subject property no farther than fifty feet from the end of the public right-of-way or it needs to be at the end of the driveway. The purpose is to help the Fire Department, EMS & Police HELP YOU.

If you do not have a house number on your house or end of right-of-way by November 1, 2024 you will be cited.
